"Passionate Web Developer with a year of hands-on experience in crafting elegant and responsive web interfaces using HTML, CSS, and Bootstrap. Backed by a solid foundation in JavaScript, I've spent a year refining my skills in creating dynamic and interactive web experiences. I recently completed an intensive MERN stack course at GUVI IIT, where I gained comprehensive knowledge of MongoDB, Express.js, React, and Node.js. With a strong eye for design and a drive to create seamless user experiences, I am dedicated to leveraging my skills to contribute to impactful web projects."
